love of country and the desire to demonstrate their patriotic feelings are their main passions.

ARMY AND NAVY CELEBRATION OF THE FOURTH.—Salutes will be fired from Governor's Island, the Navy Yard and dock, and the foreign vessels in port. The U. S. men-of-war at anchor off the navy yard are to fire a salute when the Declaration of Independence will be read. No work will be performed in the different departments of the navy yard. Marine parades will take place, and the usual guard mount occur. Deserving sailors and soldiers will be given liberty. Being enjoined to refrain from excesses of all kinds, the day is to be observed generally in the song and mirth as a holiday.

OUR ADVERTISEMENTS AS USUAL SHOW THEIR FAVORS UPON US, THEREBY INFORMING THE PUBLIC OF THEIR 4TH OF JULY ARRANGEMENTS. WE HOPE OUR READERS WILL NOT LAY DOWN THE PAPER WITHOUT MAKING A CAREFUL SURVEY OF THE ADVERTISING COLUMNS, IN WHICH WILL BE FOUND A DEAL OF INFORMATION NECESSARY FOR THEM TO KNOW IF THEY WOULD PROPERLY MAKE UP THEIR MINDS HOW TO SPEND THE 4TH OF JULY.

A LEADING PHYSICIAN OF THIS CITY TAKES GROUND AGAINST STEEL COLLARS, THE WEARING OF WHICH HAS RECENTLY GROWN FASHIONABLE AMONG OUR YOUNG MEN. HE THINKS THAT THE STEEL, BEING A RAPID CONDUCTOR, WILL AFFECT THE ELECTRICAL AND THERMAL CONDITION OF THE LARYNX AND OTHER ORGANS OF THE THROAT, AND CONSEQUENTLY WILL CAUSE DISEASES OF THE THROAT.

DANIEL B. TAYLOR, A WELL KNOWN AND VERY POPULAR DEMOCRATIC POLITICIAN, WHO HAS BEEN NAMED FOR NOMINATION AS METROPOLITAN POLICE COMMISSIONER, IS SAID TO BE DANGEROUSLY ILL.

ANOTHER INVESTIGATION BY WASHINGTON OFFICIALS, HAS JUST BEEN BEGAN AT THE CUSTOM HOUSE. IT IS STATED THAT THIS TIME THE EXAMINATION WILL REFER TO CERTAIN FEATURES IN THE TRANSACTION OF BUSINESS IN THE APPRAISER'S OFFICE.

NEWSPAPER POSTAGE.—AS MANY PERSONS WILL DROP THEIR PAPERS IN THE POST OFFICE AFTER THE OLD RATE OF ONE CENT, IT IS WELL TO REMIND THEM THAT THE POSTAGE ON ALL SUCH NOW IS TWO CENTS, AND THOSE OF COURSE WILL BE DEDUCTED UNLESS THOSE TO WHOM THEY BELONG CALL AT THE POST OFFICE AND HAND OVER THE DEFICIENCY. THE LETTER POSTAGE IN THE CITY ALSO, IS TWO CENTS.

THE CHAMBER OF COMMERCE met yesterday. RESOLUTIONS EXPRESSIVE OF PROFUND REGRET FOR THE DEATH OF ADMIRAL FOOTE, AND OF SYMPATHY FOR HIS BELOVED FAMILY, WERE UNANIMOUSLY PASSED.

MR. LOW, HAVING ADDRESSED A LETTER TO SECRETARY WEBER RELATIVE TO MEMORIALIZING THE NAVY DEPARTMENT ABOUT PROVIDING CONVEY FOR ALL AMERICAN VESSELS, BOUND TO THE WESTWARD OF THE CAPE OF GOOD HOPE, AND TO THE WESTWARD OF CAPE HORN, AND SUCH AS MAY BE FOUND FOR BRAZIL, PRESENTED THE FOLLOWING ANSWER FROM MR. WEBER:

Navy Department, June 30.

Sir.—I am in receipt of your communication of the 24th instant in reference to a convey to mercantile vessels from New York to the British channel.

As soon as the department receives the memorial setting forth the views and wishes of the Chamber of Commerce, it will take measures to afford such aid as the exigencies demand, and the best interests of the commercial marine of our country require.

Very respectfully, &c.,

John C. Stevens, Secretary of the Navy.

A. Low, Esq., President Chamber of Commerce, New York City.

Mr. Stevens, Secretary of the Chamber, read a memorial which had been prepared, embodying the views of the chamber upon the subject of convoy, which was referred to a committee.

THE RUMORS current in the city yesterday of the surrender of Richmond and Vicksburg, excited all patriotic hearts, and their enthusiasm found vent in preliminary 4th of July celebrations. Guns, pistols, crackers, torpedoes and other articles, were hanging away in all parts of the city, especially in those sections where the working and middle classes reside.

THE PASSENGERS BY THE STEAMER Morning Star on her return voyage from New Orleans to New York, held on July 3d, a meeting, and after a plausible reciting the peculiar circumstances of the case, passed the following resolution:

"Resolved, That the sisters of the passengers, who have been unanimously tendered to Capt. A. D. Smith, for his attention and care, for the safety of the ship and the comfort of all the passengers on board, and we render our thanks also to Joseph L. Clark, the first officer, to Henry Sayers, 2d engineer, to Joseph Leonard, Chief Engineer, to Charles Johnson, Purser, to James Slater, Steward, and to the other efficient servants on board, for their unremitting efforts to the safety and comfort of the vessel, and to the best comfort of the passengers, a large number of passengers on board the ship during the whole of her rapid agreeable passage within the space of seven days from New Orleans to the city of New York."

The meeting at which this resolution was passed, was decided over by the well known and highly esteemed Samuel Hotaling, of this city.

YOUNG SOLDIERS.—A body of young gentlemen, known as "The Cosmopolitan Gate Cuban" institute Cadets, arrived from New Haven yesterday, at 11 A. M., and landed at the foot of Jay street. On landing, they were received by the New York Cadets. There were about thirty of these young soldiers, ranging from 17 to 18 years old, and certainly their discipline and appearance under arms might have done credit to those "children of a larger growth," who sport uniforms throughout the city, the 15th Ward, after which they marched through the principal streets of the city, and by the principal news-rooms, in front of which they halted and presented arms. They then proceeded to Union Square and paid a visit to the Institute of the Union, after which they marched to the Academy of Music, where they gave a grand concert, and the evening closed with a grand ball.

CARNAVAL.—This splendid body of cadets will occupy the New Bowery Theatre during the recess. From what is known of them, they will make a sensation on that side.

BRAZIL.—The theatrical season here also, and the company will be succeeded by Sanford Ethiopian Minstrels, who are highly spoken of. General Tom Thumb and lady, and Commodore Nutt, remain for another week, which will be positively the last.

THE COURTS.

SUPREME COURT.—The newspaper mandamus against the Comptroller was argued at length by counsel. It will be remembered that the Mayor applied for a mandamus to compel the Comptroller to concur with him in designating the new Senate, Treasury and Tolls as the Corporation papers. The ground taken by Mr. Bayard for the Corporation is that the statute only affects the city of New York; that the only object of publication is to inform the people of the city what their representatives are doing; that no paper designated should be those which have a large circulation in the city, and those papers which have the largest general circulation. It was urged on behalf of the Mayor, that the law intended those papers to be designated which had the largest daily circulation, and that it made no difference where they were associated; that no paper related to the corporation was to determine the circulation, and that the statute could not be otherwise interpreted than as the following is an extract:

Mr. Nichols (the foreman) has safely arrived with Ministerial Knights, No. 8, and Major (regt. Chief of Police) and kindly consented to permit it to be placed to our spectators free of charge. Yesterday the (Liberator) Fire Brigade was engaged in assisting Mr. Nichols and myself to test the powers of the engine under the inspection of our respective authorities and a large number of individual spectators interested in such matters. Without a single exception, they all pronounced it satisfactory, both as regards its powers and a culmine.

RELIGIOUS.—There will be religious services at the following places of worship to-morrow:

At East 17th street, M. E. Church, 10 A. M. and 7 p. m. In the evening the Rev. Dr. Cooks will preach a sermon on the Life and Character of the late Admiral Farragut. M. E. Church, near B'way and 2d street, at 10 A. M. and 7 p. m. In the morning the pastor will preach on Judas the Traitor in the morning, and will consider the principle of treason as developed in connection with the present rebellion, as well as the life and character of Judas. In the Baptist Church, 25th and 1/2 Ave. Broadwater, Rev. Simeon A. Green will preach on "Woe to the Rich." In the Methodist Ch'ch, 18th and 1/2 Ave. on Washington, 1/2 mile from the Custom House, Mr. W. H. Green, and Mr. W. M. Church, on 2d and 1/2 Ave. At 10 A. M. and 7 p. m. Christian Alliance Tabernacle, Broadway, a fourth of July oration by the pastor, at 5 p. m. Mission Building, 6th and 1/2 Ave. Worcester and Norman of Green Point, at 10 A. M. and 7 p. m. Attorney St. M. P. Church, at 10 A. M. and 7 p. m.

CITY INCIDENTS.—An unknown woman entered the Court of Special Sessions yesterday, with an infant in her arms, and after sitting awhile, with the back seat, slipped away, leaving the child upon the floor. It was given in charge of the Commissioner of Charities and Correction.

An abandoned child, about three months old, was found in a tin can barrel in Horatio street, and given into the charge of the Commissioners of Charities and Correction. Another was found, four weeks old, in the arms of No. 13 Rutgers, and the same disposition was made of it. James Sullivan, while intoxicated, was run over in Fifth Avenue, near 51st street, by a saddle horse, and was uninjured.

Rachel Ann McClure, a servant in the family of Gov. Morgan, residing at No. 351 Lafayette Place, was found dead in her bed yesterday morning. Governor Morgan held the inquest, and a verdict of "Death Old Woman" was rendered.

Mr. Daniel Kelly, of 6th street, was assassinated on Thursday night in 15th street, near 2d Avenue, by two men named Harry and Jenkins, who knocked him down and robbed him of his watch, after which they escaped.

John Norton, a boy 10 years old, was run over near 15th Street opposite the residence of his parents, No. 15 Washington street, by a 9th Avenue car, and had one of his feet terribly crushed.

At 1:30 yesterday, a boy, named John Russell, fell down the roadway at 26th Street, and was seriously injured.

An English girl, named Catherine Donovan, aged twelve, was last evening shot in the left hand by some person who was keeping the 4th of July, while passing through Mulberry street, and slightly injured.

#### MILITARY MOVEMENTS.

Nearly \$5,000 have been already subscribed by the cost-mechants of this city to raise a battery of artillery, which will doubtless become part of the militia of the state, and will proceed to Pennsylvania as soon as organized. The organization will commence on Monday next. The remaining \$2,000 required to make the necessary sum will probably be raised to-day.

The 56th Regiment N. Y. V., which arrived here on Thursday, will be formally received by the authorities on Monday or Tuesday. They will assemble at the Park barracks on Monday, at 11 A. M., for instruction.

In consequence of a telegram from Gov. Curtin to Gov. Seymour, the 10th (National Zouave) Regiment is ordered to Baltimore as soon as expected.

The 84th Regiment, N. Y. N. G., recently organized, proceeded last evening by special train to Philadelphia. The regiment numbers 400 men.

#### THE TRADES MOVEMENT.

CARTERS AND WOMEN.—This Association, which embraces the 5th, 6th, 9th, 11th, 15th, 16th, 17th, 18th, 20th and 21st Wards, held their regular weekly meeting last evening at Montgomery Hall, Prince street, Mr. John Gallagher in the chair. Mr. Robert Kieran, Secretary, and Mr. Patrick McGuire, Treasurer. Mr. Michael Mooney informed the meeting that street sweeping machines are now working underground at night in the 4th, 5th, 6th and 9th avenues and the Bowery. He called upon the men to look after their interests, and trusted that an unanimous appeal would be made to the City Inspector not to take the broad cut of poor men's mouths in this manner.

Mr. Gallagher, in his report, said he had addressed a letter to the Common Council, praying that this matter might be looked into. It was reported that the Inspector of the 5th and 6th wards had noticed men belonging to the association that they would be discharged, and others put in their places. One inspector sold a prominent member of the association that he would never recognize him (the workman), so long as he was Street Inspector. The report was received, and was read by Mr. Gallagher. The remainder of the evening was devoted to collecting dues and transacting other routine business.
